

Dear Medinah School District 11 Families,

My name is Sandra Martyn and I am the current PTO(Parent Teacher Organization) President. I would like to introduce you to the PTO Team and explain what our goals and plans are. We are all Medinah 11 parents who have the goal to bring the community closer and support and enrich the education and educational experience of the students at Medinah District 11. To reach that goal we need YOU. We welcome everyone, listen to new ideas, offer different ways to volunteer, and you can always reach out to myself or another PTO Team member if you have any questions.

A big part of the PTO is to raise money through fundraisers to reach its goals. On the following pages you will find more detailed information regarding this critical operation.

Please join "Remind" App -Medinah PTO Volunteers to be informed by text message about all PTO events and this App provides the necessary conveniences to inform you.

To join please open our web browser and go to rmd.at/medinah1 and follow the instructions.
