10/7 Early Dismissal
10/12 No School
10/28 Early Dismissal

Dear Families,

We have had a wonderful start to the 2020-21 school year at Medinah Intermediate School. We will be sending a weekly calendar every Friday to our families with updates and events for the upcoming week. Students and staff have been practicing our new routines to maintain social distancing and the students are doing a great job learning these new expectations. We ask that you please have your child bring a water bottle to school every, as the water fountains are not available at this time. Students have been doing a great job wearing their masks every day and just a reminder to have some extras in their backpacks just in case.

Students will be Map testing this week. Please make sure they get a goodnight's sleep and eat breakfast so they are ready when they arrive to school either in person or remotely.

We appreciate all your support and communication as we continue this new school year in making sure we are safely meeting the educational needs of every student every day.

Sincerely,
Natalie Czarnecki
Principal, Medinah Intermediate School
