

Grade 2

Life Science:

What Plants Need

- Sunlight
- Adaptation
- Needs
- Survive
- Soil

Animal and Plant Dependence

- Dependence
- Survival
- Seed dispersal
- Pollination

Diversity of Living Things

- Diversity
- Carnivore
- Omnivore
- Herbivore

Physical Science:

Properties and States of Matter

- Properties
- Matter
- Solid
- Liquid
- Characteristic

Properties of Materials

- Texture
- Size
- Shape
- Color
- Weight
- Length
- Flexibility

Building Blocks of Matter

- Variety
- Set
- Pieces

Changes from Heat

- Reversible Change
- Melt
- freeze

Earth and Space Science:

Mapping our World

- Landform
- Mountain
- Valley

Forms of Water on Earth

- Form
- Ocean
- Pond
- Lake
- River

Quick Changes to Land

- Volcano
- Tornado
- Hurricane
- Tsunami
- Force

Slow Changes to Land

- Erosion
- Pattern

Effects of Wind and Water

- Wind erosion
- Water Erosion
- Prevent
- Occur
