## 3D PRINTING TINKERCAD DESIGN CLASSES

Wednesday, September 21

Grades 4-5

Instruction: 5:30-6:30 PM

Free Design: 6:30-7:30 PM

This class will teach Tinkercad, a program kids can use to design their own 3D objects. Each event starts with Tinkercad instruction for the first hour from 5:30-6:30, followed by free design for the second hour from 6:30-7:30. Kids can attend either instruction, free design, or both, but must register for each separately. We will print up to one design per participant for free each month on our 3D printer. Registration for both events begins on 9/7/22.

## GORGEOUS GEODES

Wednesday, September 28

6:30-7:00 PM

Grades 3-5

Join us at the library to learn how they are formed before we crack some open and investigate! Each participant will receive their own geode to open at home.

Registration begins 9/14/22.

## POLISH FOLK DANCE CLASSES
