3. Public Hearing on the 2023-2024 Budget Report

- a) The President of the Board announces that the Public Hearing on the 2023-2024 Tentative Budget is open and in session.
- b) The President then asks for “public input for or against the Budget. The Board need not respond directly to the “public input”. The Board is required to consider “public input”, but the Board may or may not make the changes requested by the public (if any). I will be submitting changes, if any, to the accounts in this budget from the published budget of last month.
- c) The law requires the annual budget be adopted by the end of the first quarter, September 30.
- d) All voting Board members must sign the signature sheet (first page) of the budget.
- e) Following the hearing on the proposed budget 2023-2024, the Board will be voting at the regularly scheduled meeting.
