IMPORTANT SCHOOL CALENDAR CHANGE NOTICE

February 14, 2019

Dear Parents/Guardians,

As you know, Medinah School District #11 has used several Emergency Weather Days over the last few weeks. The Illinois School Code mandates that we extend the school year to compensate for these days.

In order to end school on Friday, June 7th (1/2 day), the decision has been made to have Grades 1-8 **students attend school on Friday, March 1st for two (2) hours.** Previously, students were not attending due to a Teacher Institute on that date. By having students attend two hours on March 1st, the District is able to adhere to the School Code calendar requirements. **Students will be dismissed at 10:40 a.m. on Friday, March 1, 2019 and will be in attendance on Monday, March 4, 2019 (Casimir Pulaski Day).**

8TH grade Graduation will be on Wednesday, June 5 at Lake Park East High School.

If you have any questions, please contact Paula at the District Office 630-893-3737.

Sincerely,

John K. Butts
Superintendent
